Languages: English(c1), German (b1), French (a1), Dari/Farsi (mother tongue)

IT skills: Beginner: Image Processing, ML Engineering, Cryptographic Systems
Elementary: HTML, CSS, JavaScript, SQL, Python

SUMMARY

I am looking for a first step in the technology industry, a chance to demonstrate the ability to acquire IT skills in the most competitive time frame. Professionalism, cultivating logical/creative thinking, learning more about new approaches, and working with different people are my career objectives.

WORK EXPERIENCE

04/2016 – 08/2017 Freelance Translator/Writer (English/Farsi), Several Companies, (Tehran,Iran)

- Translating news about new technologies and their features.
- Creating content and reviews on new devices.

EDUCATION

09/2020 – 12/2020 Powercoders – Coding Academy for Refugees, (Zurich, Switzerland)

- Foundations in HTML, CSS, JavaScript; specialization tracks upcoming.
- Weekly business & social skills training (team work, communication, etc.).

01/2016 – 12/2017 IT Engineering, KIAU University, (Karaj, Iran)

- Algorithms and data structures, logical circuits, etc.

EXTRACURRICULAR ACTIVITIES

01/2019 – 05/2019 Volunteer/Translator, EuroRelief, (Lesbos, Greece)

- Helping the newly arrived refugees to temporarily settle in and supporting them in the harsh environment.

HOBBIES

Reading (linguistics, physics), 3D design, solving puzzles, learning new languages
